

## Code Name Millicent

Millicent a highly trained and experienced agent for the C.I.A. (Cat Intelligence Agency) , is sent on a mission to investigate and infiltrate the drug trade operating in the Northern Rivers area of New South Wales, Australia. There she meets the dashing but mysterious King. Is this devilishly attractive Burmese merely a distraction, an accomplice or a compatriot? What part does he have to play in the illicit drug trade? Her assignment becomes almost cat-astrophic when the investigation unexpectedly leads her into deeper and more dangerous areas of intrigue and murder. This delightful book is a must read for cat lovers with a sense of humour who appreciate a touch of crime in their reading and ideal as a gift or for that air, rail or ship journey.
