

The Not-So-High Seas (Dassas Cormier Mystery)

In the fall of 1926, a crime wave in Marshalls Bayou sparks talk of pirate ghosts. Police Chief Dassas Cormier knows the thieves are flesh and blood, but he isn't too worried until one of Marshalls Bayou's residents is found dead in his own home. Surprisingly, the thieves are indeed pirates more or less and they manage to capture Dassas. The leader of the band, Sid, carries a knife she doesn't hesitate to use. Can Dassas survive captivity while piecing together the murder? And can he manage not to fall for the pack of vagabonds with hard-luck stories?
