

It Feels So Good When I Stop

Its more than just the debut novel from the acclaimed singer and songwriter-its the best messed up love song youll ever read. (Dan Palladino and Amy Sherman-Palladino, creators of The Gilmore Girls) Our hero is a talented but floundering musician with no job, no apartment, no wife (anymore), and a six-pack of beer. Stuck between responsibility and freedom, and apathy and success, hes seeking sanctuary at his sisters home in Cape Cod, agreeing to look after his two-year old nephew. Together the unlikely pair attracts the attention of a lovely young woman with a broken past all her own and the ability to shock our hero awake-or shake him to his core.
