

More Legends & Stories of Ireland (Nonsuch Classics) (Vol. 2)

Legends & Stories of Ireland is the collected tales of Samuel Lover, renowned Irish writer, musician, and artist. These tales, the literary bantlings of the author, have come to life over time, through bar-room legends and fireside fables. It has been Lover's achievement to shape them into the fine point through which they have entered the literary canon. Lover's musical ear for dialogue has here combined with his skilled portraiture to produce a wonderful volume to treasure.
