

Murder on the Half Shelf (Booktown Mystery)

The town of Stoneham is a haven for bookstores, but it is sadly lacking in bed-and-breakfasts. Fortunately Pippa and Jon Comforts Sheer Comfort Inn is about to open, and the couple has offered some locals a free night as a trial run. But it wont be so easy to sleep after Tricia makes two startling discoveries: Pippas murdered body in the backyard, and the fact that Pippas husband, Jon, is actually Harry Tyler, a man Tricia loved-and believed dead-for nearly twenty years. Though Harry is the prime suspect, Tricia doesnt believe him capable of murder, even though hes led a life of lies. Especially when she discovers that Pippa had a few secrets of her own-some that may have been worth killing for.
