

Pensees de Gustave Flaubert (French Edition)

Ce livre comporte une table des matieres dynamique, a ete relu et corrige. Il est parfaitement mis en page pour une lecture sur liseuse electronique. Extrait : Quest-ce que le beau, sinon limpossible. Faire sa fortune et vivre pour soi, cest-a-dire retrecir son c?ur entre sa boutique et sa digestion. Je suis parvenu a avoir la ferme conviction que la vanite est la base de tout, et enfin que ce quon appelle conscience nest que la vanite interieure. Lavenir est ce quil y a de pire dans le present. En litterature comme en gastronomie, il est certains fruits quon mange a pleine bouche, dont on a le gosier plein, et si succulents que le jus penetre jusquau c?ur. Il ne faut pas regarder le gouffre, car il y a au fond un charme inexprimable qui nous attire. La femme est un animal vulgaire dont lhomme sest fait un trop bel ideal. Jaime mieux un livre que le billard, mieux une bibliotheque quun cafe, cest une gourmandise, qui ne fait jamais vomir.
