

## Taxi Tales Two (Volume 2)

Taxi Tales TWO is the follow up from best selling Authors Philip Parry and Glenn Pye following the success of Taxi Tales. This book like the first tells the TRUTH about the general public. All the tales actually happened to either Phil or Glenn but again no names are mentioned. The tales range from funny to scary and all the way to absolutely unbelievable, but every detail is FACT! If you enjoyed the first you're bound to enjoy the second and be sure to look out for the third, fourth and fifth! If you recognise yourself in any of the tales it's your choice whether you actually admit it! Have fun!!
