

Haunted

From the Dutch award-winning author, Linda Jansma, comes a thriller that goes from heartbreaking to heart stopping in the blink of an eye. Haunted Sixteen years ago, something terrible happened to Janine - so terrible she never told anyone. Now she is a successful business woman and owner of a famous dance club in Amsterdam. With a wonderful husband and lovely daughter Janine seems to have it all, until in one life-shattering moment the love of her life is murdered in cold blood. Completely devastated and alone, she fears her past is finally catching up with her - threatening not only her own life but also that of her daughter... Enigmatic crime, an engaging protagonist and pulse-pounding surprise, drive Linda Jansma's Haunted. This, the first translation of one of her books into English, is both brilliantly done and a must read. Leighton Gage, author of the Chief Inspector Silva Series.
