

The Mystery of Davids Bridge

Small town life should be quiet - so they say - but Davids Bridge has plenty of excitement for its one and only private investigator, Bailey Ferrol to handle. She dabbles in a variety of cases including a murder investigation. Even her routine cases like a background check on candidates for a job lead her down roads shed never expected to go. Her job keeps her busy but not too busy to find possible romance in unlikely places. As long as Baileys cat and sidekick Eddy approves of him, Bailey knows hes one of the good guys! This fast reading and clever book by author Pamela June Kimmell is chock full of fun characters and one can tell that the town of Davids Bridge would truly be a most interesting place to call home!
