

The Politics of Mirth: Jonson, Herrick, Milton, Marvell, and the Defense of Old Holiday Pastimes

Leah Marcuss *The Politics of Mirth: Jonson, Herrick, Milton, Marvell, and the Defense of Old Holiday Pastimes* is a fascinating study of why James and Charles promoted some types of rural sport and festival and of how certain literary texts participated in promoting or critiquing royal policy. . . . Marcus provocatively links texts not often studied in conjunction with one another, and she provides strong and detailed readings of those texts. Jean E. Howard
