

## The Survivors Club

Best-selling author Lisa Gardner's storytelling powers sweep to an electrifying new level in her second riveting book. The Survivors Club will cement Gardner's reputation as one of the premier writers of suspense. The rapist left an indelible mark on their lives; now three women must live with the consequences of his violent brutality. But when he is murdered on his way to trial, the police investigation takes a scorching new focus. All three women had a reason to hate him. All three wanted him dead. But which one of them murdered him? Explosively plotted and unnervingly suspenseful, The Survivors Club sizzles from beginning to end.
