

The Wood Beyond the World

The Wood Beyond the World was first published in 1894 and its author, William Morris is often considered one of the authors who aided in the growth of fantasy, utopian literature, and science fiction. C.S. Lewis cites William Morris as one of his favorite authors and J.R.R. Tolkien admits to being influenced greatly by Morris fantasies. The hero of this romance is named Golden Walter, son of Bartholomew Golden, a great merchant in the town of Langton on Holm. Tired of his mundane life, Walter sets out on a sea voyage, anxious to see and learn more of the outside world, eventually winning for himself the kingdom of Stark-Wall and the love of a beautiful maiden.
