

The Most Beautiful Man in the World

What do a housewife from Hampshire, England, a pole dancer from Taranaki, New Zealand, a London publisher, and an LA soap starlet all have in common? Their lives have all been impacted by The Most Beautiful Man in the World. Its only when hes found floating face-down in his Hollywood pool that they discover the ugly truth - about themselves, about each other, and about the man theyve chased around the globe and across the decades. A tangled web of deceit, passion, power and relationships that will keep you guessing until the last moments.
